All Japan Nishikigoi Promotion Association
Chair of the Board MANO Hutoshi

We are pleased to announce a global online koi show that you can easily join from the comfort of your home with just a smartphone. The event is scheduled for February 15, 2024, at the 香港九龍公園 (The 16th Asia Cup Koi Show, same time. @Kowloon Park, Tsim Sha Tsui, Kowloon, Hong Kong) . Leveraging the AI "AirsKoi," which has learned from over 50,000 koi entries in previous competitions, we have made it possible to conduct the show online.

We aim to bring together koi enthusiasts, producers, and industry professionals from around the world to showcase the results of their breeding efforts. This event provides an opportunity for more people to easily participate in koi shows. Through this event, our goal is to expand the community of koi enthusiasts and promote international goodwill.

As indicated below, we will be hosting the world's first koi show using the "AirsKoi" AI app.
